Quality You Can Depend On

Products Built to Last

All Blue™ brand cartridges are print tested for quality and durability before shipping. Blue™ cartridges include the latest technology, from first to market chemical toners and memory chips, to industry- standard components and dry fast inks.

Service & Support You Can Rely On

Rock Solid Warranty

Every Blue™ cartridge comes with a 100% Lifetime Guarantee and the assurance that the use of Blue™ cartridges does not invalidate your printer warranty.

A Trusted Product With a Proven Track Record

Consumers, small businesses, and leading corporations have chosen our high quality printing consumables for more than 7 years. With over 800 thousand printer cartridges consumed annually, We have saved consumers approximately 10 million dollars over the Original Equipment Manufacturer's (OEM) product each year.*

Environmentally Friendly, High Quality Alternative

The switch from OEM cartridges to our earth-friendly, compatible cartridges has prevented the annual consumption of over 2 million quarts of oil used in plastic manufacturing, and eliminated more than 1 million pounds of plastics from entering our nation's already over burdened landfills.**

Blue™ brand cartridges conform to EPA's CPG/RMAN guidelines. EPA's Comprehensive Procurement Guidelines (CPG) a key component of the government's "buy-recycled" program requiring government funded organizations to purchase recycled toner cartridges when purchasing more than 10 thousand dollars annually.
